## 2009 Photography Print Price List:

All prints are signed by Billy Sheahan

### STANDOUT PHOTOGRAPHS

Standout is a thick lightweight board finished with a black plastic edge and comes ready to display with hanging holes on the backside. This has recently become my preferred method of exhibiting. It displays like a painting on canvas would hang on the wall. The photograph is printed edge to edge with no matte. Nothing extra needs to be done to prepare for display.

24x16" print on 3/4" standout	\$210
20x30" print on 3/4" standout	\$273

### FRAMED PHOTOGRAPHS

Choose from one of four frame color options - black, cherry, bronze, or iron, matted with a double white matte with acrylic. (I prefer not to use glass these days because of the chance of breakage. Acrylic is lighter and more durable.) All framed photographs include hanging hardware.
